

ISLAMORADA DIVE CENTER

Whether you are a local, or visiting the Florida Keys on a vacation, with friends, family, or alone, scuba diving is an excellent recreational activity that allows you to explore the vast ocean in a way that you would never get the opportunity to experience first hand. If you seek adventure and beauty in your surroundings, scuba diving is something you don't want to miss out on.

Welcome to Islamorada Dive Center. We are located in the beautiful Florida Keys, a short drive from Key Largo. Islamorada is known for its pristine diving conditions. The Florida Keys boasts reefs, wrecks, and wildlife galore. We are one of the few dive shops in the Florida Keys located in a resort. Postcard Inn Beach Resort has recently been renovated with brand new amenities at a beautiful beach location.

We specialize in scuba certification, guided tours, and private charter trips. We are a full service PADI resort, the only way to become scuba certified by experts. We boast the newest fleet of dive boats in the Keys. Our dive shop carries the most up to date diving equipment, and is always fully stocked.

Islamorada Dive Center has something for everybody. We offer scuba education and dive trips, from beginner to expert, and everywhere in between. We give thorough lessons for the apprehensive beginner so you are confident when you go for your first dive in open waters. Technical dive trips are a great way for the seasoned scuba diver to hone in and perfect diving skills.

We will take care of you from the moment you enter our shop. Relax and enjoy the beautiful resort while we gather your gear and prepare the boat for departure.
